	<u>Persons</u>	<u>QS Units</u>		<u>Persons</u>	<u>QS Units</u>
SE	3	193,186	CG	1	20,614
			WG	1	22,954
			AI	3	502,781

Counts of individuals who became "IFQ Crewmembers" during the current year and by IFQ Management Area, halibut QS units those persons currently hold (regardless of when the QS was acquired).

<u>Area</u>	<u>Alaskans</u>		<u>Area</u>	<u>Non-Alaskans</u>	
	<u>Persons</u>	<u>QS Units</u>		<u>Persons</u>	<u>QS Units</u>
3A	7	354,210	3A	4	199,933
4A	1	9,154	4A	1	14,625
2C	6	131,849	2C	2	89,503
4B	2	45,952	4B	1	321,977

1. IFQ Crewmembers are individual US citizens who: were not initially issued QS; have demonstrated 150 days US commercial fishery harvesting experience; and who have been issued a Transfer Eligibility Certificate (TEC).
2. Counts of "IFQ Crewmembers" currently holding QS do not include persons who acquired and divested QS over time but are not currently holding any QS.
3. Designation of "Alaskan" or "non-Alaskan" is premised on the self-reported business mailing address of the TEC holder; NMFS/RAM does not verify residency.
4. Tables exclude persons with unknown addresses.
